

Cognizant Elevated to Global Elite Partner in ServiceNow Partner Ecosystem

With only six partners in the Global Elite program, this recognition reflects the highest levels of attainment across competency, capability and customer success as defined by ServiceNow

In a new milestone for Cognizant's strategic partnership with ServiceNow, Cognizant has been elevated to Global Elite status, the highest level of partnership recognition within the ServiceNow Partner Program. This achievement reflects Cognizant's commitment to delivering innovative AI solutions and exceptional customer value to global clients through the ServiceNow platform.

"Cognizant is focused on leveraging cutting-edge technologies, including AI, to address complex business challenges and deliver exceptional outcomes by industry, workflow, and emerging capabilities in ServiceNow," said **Sriramkumar Kumaresan, global head of Cloud, Infrastructure and Security at Cognizant**. "We are honored to be recognized as a Global Elite partner by ServiceNow, and remain committed to delivering transformative solutions that drive value for our clients."

Cognizant's elevation to Global Elite partner status is a testament to the efforts of the Cognizant ServiceNow Business Group, which has been instrumental in driving the company's success in the ServiceNow ecosystem. Through a combination of strategic investments, innovative solutions and offerings and a deep understanding of client needs, Cognizant has positioned itself as a leader in the industry and is on the path toward [building a combined \\$1 billion business](#) with ServiceNow.

"Our elevation to Global Elite partner status is a direct result of the hard work and dedication of our team," said **Jason Wojahn, Global Head of Cognizant's ServiceNow Business Group**. "We are particularly proud of our work with ServiceNow on [implementing Workflow Data Fabric](#), which has game-changing potential for our clients and allows us to streamline processes, enhance data integration, and deliver more seamless experiences across the enterprise."

"Cognizant has consistently demonstrated their commitment to delivering targeted solutions and driving true value for our shared customers," said **Erica Volini, executive vice president of worldwide industries, partners, and go-to-market at ServiceNow**. "Their elevation to Global Elite, the highest status in our ecosystem, speaks to that dedication and our future of even greater collaboration, innovation, and success together."

Cognizant's success in the ServiceNow ecosystem is driven by several key differentiators:

- A 360-degree relationship with ServiceNow as a partner, client, and vendor, enabling exclusive offerings and collaboration.
- An ever-expanding suite of horizontal and industry offerings across the entire ServiceNow platform, including the recently launched [Stores 360 offering](#) for retail clients.
- [Thirdera University](#), which differentiates Cognizant's ability to recruit and train industry-leading talent.
- A robust network of technology partners, leading to enhanced, integrated, and cross-platform automated solutions.
- A global footprint that allows Cognizant to deliver solutions at scale.

As Cognizant continues to grow and expand its capabilities, the company remains committed to driving innovation and delivering exceptional value to clients worldwide.
