

KBC Group renews collaboration with Cognizant to improve IT services and customer experience

KBC Group and Cognizant celebrate over a decade of collaboration with a renewed agreement until 2027. Cognizant will provide various IT services, focusing on quality and cost-effectiveness.

BRUSSELS, Feb. 10, 2025 /PRNewswire/ -- [Cognizant \(Nasdaq: CTSH\)](#) today announced the renewal of its relationship with KBC Group, a leading Belgian universal multi-channel bank-insurer.

This renewal of the agreement will extend until 2027, positioning Cognizant as KBC Group's partner in supporting its IT and business transformation across the entire spectrum of IT services, including application development & maintenance, data services, infrastructure, and quality engineering.

"We are pleased to renew our agreement with Cognizant, as it supports our goals of creating superior customer experience, supporting innovation, and maintaining operational excellence," said Isabel Van Mele, Chief Information Officer of KBC Bank & Insurance. "Cognizant's ability to provide various IT services, focusing on quality, stability, and cost-effectiveness, makes it an important partner for KBC. We look forward to continuing our collaboration to achieve our organizational objectives."

Cognizant and KBC Group have enjoyed a long-standing relationship for over 11 years, built on mutual trust, respect, and a proven track record. This agreement has been characterized by a collaborative spirit, seeking win-win solutions for both parties. The renewal of the relationship underscores the commitment of both organizations to continue bringing execution focus, innovative solutions and thought leadership to KBC Group. Cognizant's existing team and service offerings are expected to enhance quality, ensure operational stability, foster innovation, and optimize cost-effectiveness for KBC Group.

"We are honored to extend our partnership with KBC Group," said Geert Lejon, Country Manager, Belgium & Luxembourg at Cognizant. "Our extensive experience in delivering a wide range of IT services has been crucial in helping KBC achieve its objectives over the past eleven years. Our team is excited to continue this work and further enhance our collaboration."
