

Cognizant Named One of the World's Best Companies by Time

TEANECK, N.J., September 10, 2025 -- Cognizant (NASDAQ:CTSH) today announced it has been named one of the World's Best Companies by Time. This prestigious recognition celebrates global organizations that exemplify excellence in today's corporate landscape—highlighting leadership in employee satisfaction, revenue growth, and sustainability transparency.

Presented in collaboration with Statista Inc., a leading provider of industry rankings and statistical insights, the award reflects a rigorous evaluation of hundreds of thousands of data points. Cognizant's placement on the list underscores the company's commitment to creating a thriving workplace, driving innovation, and operating with transparency and purpose.

Cognizant was also recently recognized by Newsweek and Plant-A Insights Group as one of America's Most Admired Workplaces 2026. This recognition was based on over 224,000 employee interviews, publicly available data, surveys, and more than 120 key performance indicators. Cognizant ranked among the top companies for attracting and satisfying employees—further validating the company's dedication to cultivating a workplace where people feel valued, empowered, and inspired.

About Statista

Statista is a global data and business intelligence platform with an extensive collection of statistics, reports, and insights on over 80,000 topics from 22,500 sources in 170 industries.

About Plant-A-Insights Group

Plant-A Insights Group is one of the leading research, data and analytics firms for the development of large-scale company and industry rankings for global tier one media brands.
