

Nemours Children's Health System Makes Move in New Jersey

Opening specialty care in Cherry Hill will put Nemours duPont Pediatrics in a convenient location for patient families requiring our services.

CHERRY HILL, NJ - Nemours Children's Health System, consistently ranked by *U.S. News & World Report* as one of the nation's best health systems for specialty pediatric care, has announced that Nemours duPont Pediatrics, Voorhees will close and reopen as Nemours duPont Pediatrics, Cherry Hill on June 19, 2018. This 10,000 square-foot-facility will offer Delaware Valley families convenient access to specialty care, therapy services and x-ray.

Specialty care services at Nemours duPont Pediatrics, Cherry Hill, will include: allergy, behavioral health, cardiology, developmental medicine, endocrinology, gastroenterology, imaging/x-ray, nephrology, neurology, orthopedics, pulmonology, rehabilitative medicine, surgery, therapy, and weight management. Therapy services will include physical, occupational, and speech/feeding therapies.

"We know that providing care across the continuum—from prevention to hospital care—produces better outcomes and reduces costs," said Pauline Corso, Operational Vice

President, Nemours Children's Health System and Chief Operating Officer, Nemours Physician Network, Delaware Valley.

"Not only is that what our families demand, it's what the modern healthcare economy demands. We're excited to offer this wide array of services in a prominent location so that more families can get the care they need when they need and want it."

Nemours duPont Pediatrics, Cherry Hill, will be located at 325 Marlton Pike East, Cherry Hill, NJ 08034. For more information, please visit Nemours.org.

Nemours also has a location in Deptford, NJ. Nemours duPont Pediatrics, Deptford, 1280 Almonesson Road, provides specialty, therapy, and surgical services.

About Nemours Children's Health System
