

Nemours Children's Health and Gift of Life Host Flag Raising Event for Donate Life Month

In honor of Donate Life Month, Nemours Children's Hospital, Delaware hosted a Gift of Life flag raising event to help increase awareness of organ, tissue and cornea donation. Nemours transplant team members, patient families, Gift of Life representatives and the **Phillie Phanatic** took part in the flag raising ceremony and an outdoor lunch reception.

Additionally, the nonprofit groups STARKids were in attendance. Run by transplant recipients and their families, [STARKids](#) help to bring awareness, provide support, and offer resources to current transplant families.
