

Making Spirits Bright: Santa and the Elves Surprise Patients While Washing Windows at Nemours Children's Hospital, Florida

Editor's Note: Downloadable video and photos available (see icons below).

Orlando, Fla. (December 16, 2022) - Each December, the window washers from A1 Orange don holiday outfits to bring cheer and entertain patients at Nemours Children's Hospital, Florida.

Patients and their families were surprised in the waiting rooms at the hospital in Lake Nona this week. It brought smiles to everyone on both sides of the glass.

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, which includes two free-standing children's hospitals and a network of more than 70 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also caring for the health of the whole child beyond medicine. Nemours Children's also powers the world's most-visited website for information on the health of children and teens, Nemours KidsHealth.org.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves. For more information, visit Nemours.org.
