

Daily's Foundation Charity Golf Tournament Raises \$530,000 for Nemours Children's Health

Nemours and Daily's are Partners in Improving the Health of Children

Jacksonville, Fla. (December 21, 2021) – The Daily's Foundation's annual Charity Golf Tournament at the Omni Amelia Island Resort raised \$530,000 towards Nemours Children's Health. Aubrey Edge, President and CEO of Daily's, presented Dr. R. Lawrence Moss, President and CEO of Nemours Children's Health, with the donation at the event reception on November 30, 2021. The event featured two days of golf and a private performance by country artist Jessie James Decker. Daily's Foundation also raised \$25,000 for Hopekids Nashville, the charity supported by tournament guests Eric and Jessie James Decker.

"Daily's primary community focus has always been the health and well-being of children and families. It is our honor to partner with Nemours and support the amazing work they do at The Daily's Foundation Pavilion at Nemours Children's Health in Jacksonville," said Aubrey Edge, President and CEO of Daily's.

Nemours Children's and Daily's both share a mission to improve the health of kids and families. Reign Jefferson, a 7-year-old sickle cell patient, and her mother, Elecia Goodman, attended the reception and addressed attendees.

"Nemours is like family," said Elecia. "From day one, we were told there is nothing to worry about, Nemours will make sure we have everything we need to take care of Reign. She will be able to live a full life and do everything any other child can do."

"Nemours Children's Health is grateful to the Daily's Foundation for their continued partnership and generous gift," said R. Lawrence Moss, M.D., President and CEO of Nemours Children's. "Together, we are making a positive impact on the lives of families in our communities."

The Nemours Children's and Daily's partnership began in 2019. Daily's has hosted other events supporting Nemours Children's goal to create the healthiest generation of children, such as the Inaugural Daily's Foundation Concert featuring Brantley Gilbert's "Not Like Us" tour, and three point-of-sale campaigns that encouraged customers to donate to Nemours Children's. In honor of their generosity and partnership, the Daily's Foundation Pavilion at Nemours Children's Health, Jacksonville was dedicated in 2020.

###

About Nemours Children's Health

Nemours Children's Health is one of the nation's largest multistate pediatric health systems, including two free-standing children's hospitals and a network of nearly 75 primary and specialty care practices. Nemours Children's seeks to transform the health of children by adopting a holistic health model that utilizes innovative, safe, and high-quality care, while also caring for the health of the whole child beyond medicine. Nemours Children's also powers the world's most-visited website for information on the health of children and teens, KidsHealth.org.

The Nemours Foundation, established through the legacy and philanthropy of Alfred I. duPont, provides pediatric clinical care, research, education, advocacy, and prevention programs to the children, families and communities it serves.

About Daily's

Daily's is a privately held, Jacksonville, Florida-based, convenience store chain featuring deluxe offerings, made-to-order food, and the best facilities. Our goal is to give our customers a NICER convenience store experience. Daily's Dash, our deli café, features freshly carved, all-natural deli meats and cheeses.
