

AIRTV PRO INSTALL EXPANDS

ENGLEWOOD, March 28, 2017 – AirTV, a brand dedicated to meeting the growing consumer demand for over-the-air (OTA) products and services, is now installing OTA antennas for consumers in all Lower 48 states through AirTV Pro Install. [The service initially launched in 48 markets](#) at the beginning of January.

“We can help consumers figure out what kind of digital antenna will work best for them, and set it up at their home as early as the next day,” said Mitch Weinraub, director of product development for AirTV. “Based on a customer’s location, we can tell the customer over the phone whether an indoor or outdoor antenna will work best. A nationwide network of licensed and insured technicians will bring the antenna, the tools and the know-how.”

More information on AirTV Pro Install is available at AirTV.net or call 1-855-428-7201.

Standard one-room antenna installation, including the antenna, is available starting at \$99.99 for an indoor antenna or \$149.99 for an outdoor antenna. Most appointments can be fulfilled on a next-day basis. Broadcast station availability is dependent on geographic location, topography, and antenna specifications.

AirTV Pro Install service utilizes [Winegard FlatWave Amped](#) indoor antennas and [Televes DigiNova BOSS](#) outdoor antennas.

About AirTV

AirTV L.L.C., a wholly owned subsidiary of DISH DBS Corporation, provides products and services to simplify the modern over-the-air (OTA) entertainment experience. AirTV is home to the AirTV Player, an Android TV-based streaming device that combines leading streaming services like Netflix, Sling and YouTube with local OTA channels, and AirTV Pro Install, a professional nationwide installation team that helps consumers connect high-definition TV OTA antennas in the home.
