Employees will continue to complete daily health screenings and resorts will still apply enhanced cleaning practices.

Lift Ticket Limitations

Guests planning to visit this winter – whether one day or every day – are encouraged to purchase their lift access in advance – whether it is a lift ticket, Epic Day Pass or season pass. Lift tickets will be limited every day during the 2022-23 season in order to prioritize the guest experience. Availability of lift tickets will be visible on the resort website in the coming weeks. If tickets are sold out online, guests will not be able to purchase them at ticket windows.

Passes, including Epic Day Passes, and Pass Holder benefit tickets will not be limited. There is also no impact to guests who enroll in ski and ride school lessons that include lift access, or to employee and dependent pass access.
